Compact and lightweight, the Sachtler Video 15 SB Fluid Head greatly reduces the time it takes to setup and start shooting. Supporting a payload of up to 17 kg, innovative Speedbalance technology and 12-step counterbalance presets mean that you won't be spending your time trying to find the perfect balance. The bubble level illumination and half ball base makes levelling low stress, even in low-light conditions.

Attaching your camera to the head is simple too. Sachtler's Touch & Go technology and slide range of 70 mm make mounting as quick as clicking it in place. This versatility and flexibility are matched by a high level of performance. Seven horizontal and vertical drag levels plus zero give you perfectly smooth movement, whatever environment.

When you need to work quickly and effectively, you need a tripod that won't slow you down. The best-selling Sachtler dual-extractable ENG 2CF carbon fibre tripod gives you optimal stability and reliable performance in every environment. Lightweight and twist-resistant, the one-piece carbon fibre design features a 100 mm bowl with tube diameter of 22 mm.

This tripod's dual extension provides improved reliability, boosting height range and carrying a payload of 40 kg. Weighing in at 2.4 kg with a transport length of 70 cm, the Sachtler ENG 2 CF provides a balance between lightweight and durability so that you never have to sacrifice performance for comfort and transportability.
